

Console Banking App Overview

Users

The users for the app are as follows:

A screenshot of a console window with a dark background and light-colored text. At the top, the title "All System Users" is displayed. Below it is a table with five columns: ID, NAME, TYPE, STATUS, and C. The table contains six rows of user data. At the bottom of the console, the text "Press enter to continue..." is shown with a small white cursor box.

ID	NAME	TYPE	STATUS	C
001	brownj	Administrator	ACTIVE	Y
004	fayd	Normal	ACTIVE	
006	hatcherw	Normal	ACTIVE	
005	jonesb	Normal	ACTIVE	
003	kruppab	Administrator	ACTIVE	
002	smithj	Normal	ACTIVE	

Press enter to continue...

Each user's password is "password".

Data

The data is stored in a SQLite database file that is automatically created upon the initial run of the app. The file generated will be named "cb.db".

Execution

A runnable jar of the file is saved in the branch at the following path:
/assignments/src/assignments/week01/project/cb.jar
